

Congratulations to BCSC

Congratulations to BCSC's runners who braved the heat on Sunday to complete the Asics London 10K race. The team, comprising of Erin Rigg, Davinder Jhamat, Philippa Latimer, Beulah Place and Chief Executive Michael Green, collectively raised over £6000 for the Muscular Dystrophy Campaign. The exciting race route spanned from the West End through to the City of London and back again passing landmarks such as St Paul's Cathedral, Royal Horse Guards and the Houses of Parliament.
